Edited by Hubert ... - The history of banking began with the first prototype banks which were the merchants of the world, who made grain loans to farmers and traders who carried goods between cities. This was around 2000 BC in Assyria, India and Sumeria. Later, in ancient Greece and during the Roman Empire, lenders based in temples made loans, while accepting deposits and performing the change of money. Archaeology ... Mon, 15 Oct 2018 16:20:00 GMT History of banking - Wikipedia - When European powers annexed parts of Asia, banking systems were an important part of that process.
